**77 Days into Campaign, Mike Kehoe Highlights Accomplishments and Posts Strong 3<sup>rd</sup> Quarter Fundraising Total**

Jefferson City, MO – Mike Kehoe, a Republican candidate for the 6<sup>th</sup> District State Senate seat, announced today the progress his campaign has made in just 77 days. Kehoe expressed his appreciation and excitement about the encouraging support his campaign has received. “I am pleased to announce that the campaign website has had over 1,470 visitors, more than 160 volunteers have signed up to help, we attended 56 events and raised a total of \$120,385 in the 3<sup>rd</sup> quarter.”

“Since announcing my candidacy on July 16, I have spent the last 77 days talking to voters in Callaway, Cole, Miller, Moniteau, and Morgan Counties. During my four years on the MoDOT Commission, I had the privilege of working on numerous projects in many communities throughout the 6<sup>th</sup> District. Additionally, over the last two decades, I have also been fortunate to work alongside central Missourians through both business and community events and I have enjoyed the opportunity to reconnect with many of those same people,” Kehoe stated.

Kehoe plans to continue to focus his campaign on issues that are important to voters in the 6<sup>th</sup> District including protecting the unborn, working to get the central Missouri economy back on track, finding common sense solutions that help create family supporting jobs, holding the line on taxes, and protecting Second Amendment rights.

In closing, Kehoe reiterated his appreciation to those who have stepped up to help at this early stage of the campaign. “I am humbled by the number of people who have already given their hard earned money to help our campaign. I am equally grateful for those who have offered to lend their time and talents to the campaign. We have had 160 people sign up on the website ([www.mikekehoeforsenate.com](http://www.mikekehoeforsenate.com)) to volunteer, in addition to the 340 donors who have offered their financial support,” Kehoe said.
